RE: Remove Your Content, LLC
www.thepiratebay.org

Dear DMCA Complaints:

This firm represents Remove Your Content, LLC.

My client has received several inquiries related to an alleged DMCA takedown notice allegedly sent to Google relate to the homepage of www.thepiratebay.org (possibly sent under the name "Destined Enterprises"). My client's records do not reflect that any takedown notice to Google for the homepage of www.thepiratebay.org was sent, although we have been unable to complete the investigation, because we do not have a copy of the alleged takedown notice.

My client is understandably concerned that a third party may be using my client's name and sending notices without authorization or approval. Therefore, please forward a copy of the alleged takedown notice to me at the email address below.

We appreciate your prompt attention to this matter. Thank you.

Sincerely,

Ellen Cook Sacco
